Dear Parent/Carer

Beijing Exchange Trip

We are writing to update you on the Beijing Exchange trip. We are pleased to inform you that your son/daughter has been selected to take part under the provision that his/her behaviour is from now on exemplary. Mr Field is going to visit China in April in order to visit the school and students. We are now waiting for the confirmation by the school in Beijing, who is in return waiting for confirmation from the Beijing Education Department. We have been promised to hear from them by March.

At the moment the dates look as follows, but are subject to approval:

The Beijing students will arrive here on September 24th for two weeks and will stay with your family.

Our students will visit the school in Beijing November 18th for one week staying with their Exchange partner and family.

We will be in touch soon with more details and would envisage holding an open evening in June/July.

Many thanks for your continued support and we look forward to updating you soon.

Kind regards

Jaclyn Jimenez and Claudia Caswell
MFL and International Partnerships
