Dear Parent

Beijing Exchange

Thank you very much again for expressing an interest in the Beijing exchange and for your patience. Unfortunately we are still waiting for the Beijing government to confirm the host school.

However, yesterday we were able to meet with a Beijing official, who promised that an answer should be likely by the end of the month. We will contact you as soon as possible again when we find out more.

In the meantime we would be very grateful if your child could write an application letter addressed to us, containing the reasons for their interest in the exchange with Beijing. In particular, they will need to prove that they have good communication skills. As we are only able to take 20 students, we will need to choose carefully who will be representing St. John's.

Thank you very much again for your support and patience.

Kind regards
