Dear Parents

STUDENT PLANNERS

As you know your son/daughter has an individual student planner. The purpose of the planner is for students to have key information to regularly refer to, have somewhere to note reminders and key dates. It is also a way of recording college points and uniform information. In addition, the planner can be used by staff as a form of communication with home.

The introduction of 'Show My Homework' has meant that students record less in the planners and therefore we will review the relevance of planners in preparation for next year. However, as a parent please ensure you look at, and sign your student's planner weekly and feel free to write any notes that you wish to communicate to school.

Yours faithfully

Mr T Nicholls and Mr C Paul
Assistant Vice Principals
