Above average	Score is higher than 0 but lower than 0.3, and lower confidence interval is higher than 0.
Close to national average	Lower confidence interval is 0 or lower, and the upper confidence interval is 0 or higher.
Below average	Score is -0.5 or higher but less than 0, and upper confidence interval is lower than 0.
Well below average	Score is lower than -0.5 and upper confidence interval is lower than 0.

Average result

These figures tell you the average grade and average points that students achieved per A level entry. The government gives a points value to all qualifications so you can compare qualifications of a different level, size and grading system. The number of points is based on the challenge and size of a qualification. For further details, see the gov.uk webpage: [16 to 18 Accountability Technical Guide](#).
