

23 April 2019
tyn/bj/Y11Celebration

Dear Parents

In preparation for a final celebration assembly with the Year 11 students, we would like to collect as many photographs as possible. In particular, we are hoping to receive photographs of when the students were in the younger years. For example, do you have any "first day at St John's" photographs with your son/daughter in their uniform for the first time?

If you would like to send us any photographs, please send it as an email attachment by Friday, 3rd May to: Y11Photos@stjohns.excalibur.org.uk

Please also note:

1. Any photograph sent will only be used for this celebratory assembly and will not be stored after it.
2. Please do not send any personal photographs that are not related to a St John's activity or event.

Thank you in advance.

Yours faithfully

T Y Nicholls
Assistant Vice-Principal
