Dear Parent

### English Language 'Walking Talking Mocks'

As part of ongoing English Language preparations for final exams in June 2019, and in order to provide your child with the best possible chance of achieving his/her true potential, we have arranged two English Language 'Walking Talking Mocks'. English Language Paper 1 will take place on Thursday 18<sup>th</sup> October and English Language Paper 2 will be carried out on Friday 1<sup>st</sup> March.

A member of the English department, who will guide students on how to approach each question whilst giving valuable advice, hints and tips, will supervise students. This way students will be able to utilise these strategies with immediate effect and thereby improve their standards in the exam. Once the papers have been marked, students will then be able to see where their skills have developed and receive targeted feedback on how to improve further.

This opportunity is compulsory and all students are expected to attend without exception. For the past few years, the 'Walking Talking Mocks' have been considered as one of the major factors in raising exam results and we truly believe that they are an invaluable strategy in helping your child achieve their maximum potential. We have ensured that there is minimum impact on your child's lessons on this day and expect the 'Walking Talking Mock' to be a maximum of 2 hours.

If you have any questions or concerns, please contact your child's English teacher or myself.

Yours faithfully,

Miss R Thompson  
Phase Progression Leader for Key Stage 4 English
