Dear Parent/Guardian

Re: Year 8 HPV Vaccination consent

The 1st Dose of HPV vaccination that protects against cervical cancer is being offered to your daughter on:

Tuesday 18 September 2018

From September 2018 the Immunisation Team are providing the HPV vaccination to eligible girls using electronic consent.

In order to provide electronic consent for your daughter's HPV vaccination, please access the consent portal via the following link:

<https://schoolimms.virginicare.co.uk/?h=042f50297d8b475e5166dd96c0187f603e66ce7274e9592194c09cec2bdbdc69>

The Immunisation Team would like to request that consent is provided as soon as possible due to the session in school taking place imminently. This link is secure and unique to your child's school. Full details and information to assist you in completing the consent is detailed on the portal including full FAQ's, patient information and contact details should you wish to speak to a nurse regarding the vaccination.

On 18 September your daughter may be more comfortable wearing a vest top under their shirt for modesty.

Yours faithfully
